#TOGETHERWEASSIST

 teamup.world  TeamUp Canada
www.teamup.world

Kids from all communities deserve to experience a place of hope, belonging, purpose and opportunity.

Help provide a place to belong, to play, to dream and to achieve.

With the help of generous donors and partners, TeamUp is currently impacting **6,091 children** across **95 'fields of belonging'**. We have **300 active volunteers** and are represented in **5 countries** (Peru, Paraguay, Malawi, Uganda, and Canada)

Sport Programs

Our sport programs provide children and youth from underserved communities with a place to belong, learn life-skills, be mentored by role models, and play while doing activities that foster their physical, mental, and emotional well-being.

Community Development

We help support local neighbourhoods through Impact humanitarian work projects that benefit both families and entire communities. From gardens to school rooms, we come alongside our partners to serve and assist. At TeamUp, we partner with local organizations to empower & engage local leaders to team up for change. We assist in the growth of sport & community development programs to foster life-changing opportunities.

Training Leaders

We believe that local leaders are the real agents of change. We combine insight, coaching experience, and technology to equip local leaders with knowledge and resources that are human-centered, transformative, and long-lasting.

Join us in fostering life-changing opportunities through sport.
